Bin reallocation in St Marys Hulme (M15)

This report collates snapshots of bin use data across St Marys Hulme. The location of bins is provided as street name, and a whate3words (W3W) location. There is an annex showing full photos of all locations.

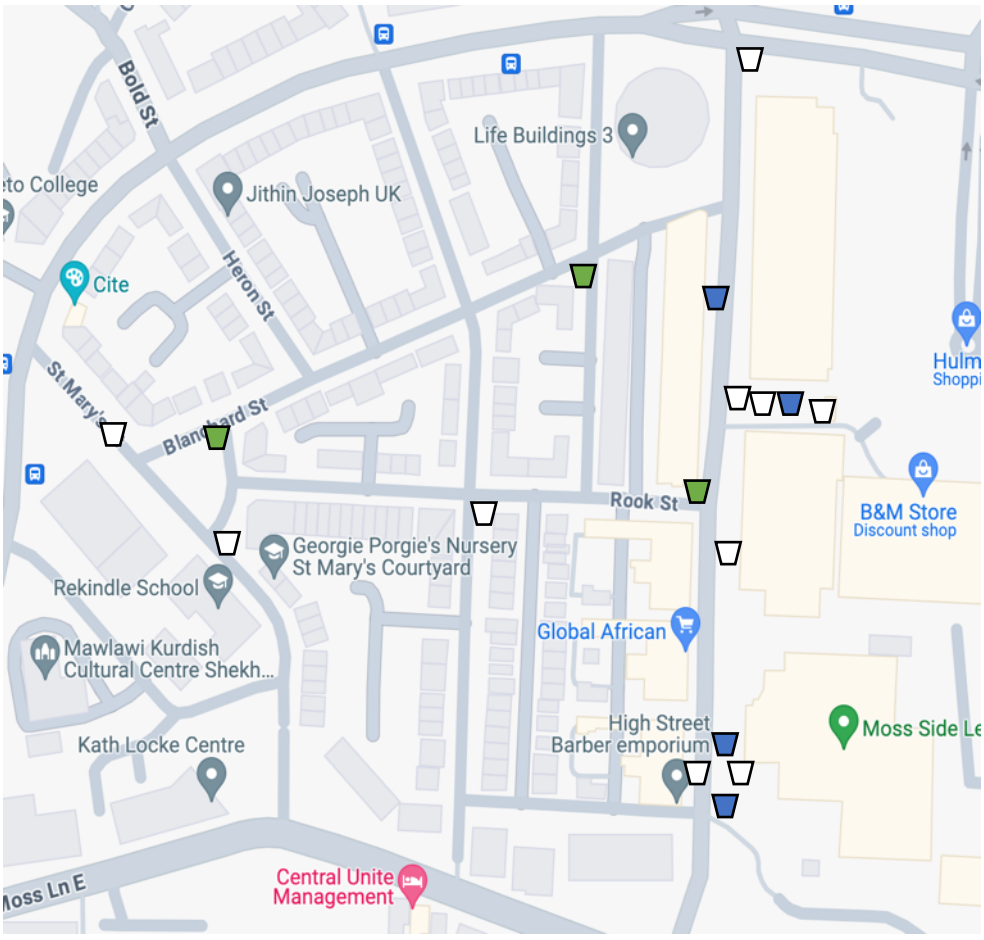

Findings

Bins were all photographed, then their fill levels recorded, bins with consistently low fill levels (Table 1) are recommended for reallocation across the neighbourhood.

Street Location	Location W3W	Fill level 1	Fill level 2
Hulme High Street	thanks.ropes.blows	Low	Low
Hulme Outdoor Market	piano.hills.decks	Low	Low
Hulme High Street	pinch.spaces.torn	Low	Low
Hulme High Street	stores.fend.wanted	Low	Low

Table 1: Recommended bins for relocation around St Marys Neighbourhood

The map below shows the bin locations, white bins are existing bins, blue bins are existing bins recommended to move (Table 1), green bins are where SusCoHulme members and local residents would like bins to be reallocated.
